"I came so that you may have life, and have it to the full." – John 10:10

At St Joseph's we value the voice of our pupils. Here's what some of them said about our school and their learning:

I like learning  
phonics. Y1

I like  
handwriting.  
Y2

I like maths  
and science.

I like creating  
stories. Y3

I like hard  
work! Y4

Maths is fun –  
learning new  
things! Y5

I like English –  
Shakespeare.  
Y5

I like it when it is  
peaceful and  
calm when we do  
our writing. Y4

I like writing stories  
and checking my  
work and editing it.  
Y6

"I came so that you may have life, and have it to the full." – John 10:10

If I get stuck I  
tell the teacher  
and she makes  
it not hard. Y1

If we get stuck,  
we can help  
each other. Y1

If I get stuck I  
like to try and  
work it out by  
myself first. Y3

If I get stuck I try  
to work it out  
myself, then ask  
a friend, then  
ask the teacher.  
Y4

If I get stuck I ask  
my partner to help  
me then tell the  
teacher. Y5

If I get stuck I  
use a ruler  
because it has  
numbers on it.  
Y2

I try and work it out for  
myself but if I can't do  
it then I will ask  
someone else. Y6

"I came so that you may have life, and have it to the full." – John 10:10

I would like to  
get better at  
reading. Y1

I would like to get better  
at handwriting because  
at first I was a bit  
messy but now I am  
neater. Y2

I would like to  
get better at  
maths. Y3

I would like to  
get better at  
science. Y4

I would like to get  
better at reading  
– finding the  
answers. Y5

I would like to get better at  
handwriting because  
sometimes it starts off nice  
and then goes a bit wonky  
donkey. Y6

Things that help me  
to learn: to sit still  
and do my work. Y1

Thing that help me to  
learn: using a number  
line because I only have  
10 fingers. Y2

Thing that help me  
to learn: phonics  
on the wall. Y2

Thing that help  
me to learn:  
teachers and  
other children. Y3

Thing that help me to  
learn: the chance to talk  
to a talk partner. Y4

Things that help  
me to learn:  
demonstrations  
show me what I  
need to do. Y6
