

# St. Joseph's RC Primary School

"I came so that you may have life, and have it to the full." – John 10:10

## Sports Premium Strategy 2022 – 2023

Total Sports Premium Received	£17,150	Pupils on Roll	225
-------------------------------	---------	----------------	-----

### Objectives for Sports Premium

1. Improve Health and Well-Being by increasing activity levels across the school.
2. Raising the profile of PE and sport to support whole school improvement
3. Increasing the range of sports and activities on offer
4. Increase opportunities for participation in a variety of competitive sporting activities
5. Provide opportunities for participation in additional extra-curricular sports
6. Invest in the sustainability of PE and sport beyond Sports Premium
7. Increase the proficiency of swimming across the school
8. Provide opportunities for the least active children to take part in physical activity
9. Increase links with local clubs, facilities and events so that pupils know what is available to them.

Using the Funding				
Provision	Sustainability	Objectives	Cost	Impact
Specialist sports coach to deliver high quality PE from Nursery – Year 6	Gives pupils the chance to develop permanent skills and to take part in new activities led by a specialist. Promoting interest in pupils to take up activities outside of school.	1, 2, 3, 4, 5, 6, 7, 8 & 9	£7200	Improve stamina, fitness, provision of high quality PE, development of gross motor skills, self-esteem, team spirit, improved mental wellbeing. Create new and exciting opportunities for pupils by subsidising sporting trips	Gives the pupils the opportunity to experience the physical activities which are available to them outside of school in their area. Allows them the chance to develop an interest in these activities.	1, 3, 5, 6, 7, 8 & 9	£1700	All children to attend a 'sporting trip' with some of the cost subsidised through Sports Premium. Ongoing, throughout the school year.
Extra swimming lessons for non-swimmers	Enables more children to reach the required minimum standard. Yearly.	1, 6, 7 & 8	£750	All pupil should be able to swim 25m before leaving Year 6

Transport to events	Gives the pupils the opportunity to experience activities they may not usually be able to access but are available within our area. Allows children to experience competitive sport.	1, 2, 3, 4, 5, 6, 8 & 9	£150	Use public transport or private hire to transport large groups of children to sporting trips or competitions, when minibus not sufficient.
High quality training for all staff on the importance of play and activities	Allows all staff to develop their skills in managing play and games at breaks by working with specialists. Assist midday assistants with further knowledge in outdoor games and activities.	1, 2, 3, 5, 6 & 8	£200	All staff, particularly lunchtime staff, are able to support children to play a variety of games with increasing confidence.
Permanent playground markings for a variety of games	Provides the opportunity to play a variety of games, sports. Training for staff and then sports ambassadors to ensure use.	1, 2, 3, & 8	£4000	Children have a variety of games/activities to play/join in. Children are able to teach each other how to play.

## Overview

Up until the academic year 2022/2023, the Government has made available to all schools a sum of money annually to allow them to continue to develop sports provision within school and to help schools increase pupil participation in sporting activity.

## Objectives For Sports Premium St Joseph's RC Primary School

At St Joseph's RC Primary School we strive to deliver a rich and varied PE curriculum and we are committed to engage more pupils in extra-curricular sporting activities and events. We aim to ensure that;

- all children benefit regardless of sporting ability
- all children are given the opportunity to experience new and exciting sporting activities
- children are given the opportunity to compete in competitions with other schools
- all staff have access to training opportunities and continued professional development
- some activities may be subsidised so that pupils do not miss out due to financial constraints

- we make use of collaborative and partnership working.
- PE is sustainable beyond 2022/ 2023 by investing in equipment, activities which children may take up outside of school and links are created with other schools & clubs for competition can continue, should the School Sports Partnerships end.
